TABARK IBRAHIM AL-HROUT

RENEWABLE ENERGY &
ENERGY EFFICIENCY
ENGINEER

Intro:

An Electrical Power Engineer. I have worked for several years in voluntary communities like a volunteer in university and a member of IEEE. Had an internship with Ministry of Public Works and Housing. Assisted in project tender evaluations and supported the tendering process of health centers project.

I am eager to acquire an extensive experience, I love inspiring other people around me and get inspired by them, Optimist for life.

Education:

B.Sc. in Electrical Power Engineering | Al- Balqa' Applied University. (2016-2020)

Professional Certifications:

- MATLAB AND SIMULINK SOFTWARE
